The mission of The Mustard Seed is to help to rebuild the lives of families and individuals who have suffered disaster or personal tragedy by providing household furnishings and clothing while being environmentally responsible to our community

We have also begun developing future self-sustainability for our organization and services through an innovative Mattress Recycling Program. We offer ways for local businesses, hotels and individual donors to recycle and conserve the environment. In addition to this exciting new program, we continue on in our efforts for conservation by recycling other valuable materials.

Donations we accept:

- Furniture (all types) and mattresses
- Household decor
- Dinnerware
- Appliances (working condition)
- Linens / Towels
- Baby Items
- Clothing and shoes
- Books
- Christmas lights (working or not)
- New and gently used toys

Items we recycle:

- Not so good Mattresses
- Appliances (non-working)
- Paper
- Cardboard
- Metal and Aluminum
- Plastic bottles
- Styrofoam
- Electronics
- Old candles
- Wine and beer bottles, colored glass

Donations are accepted at our warehouse Monday – Friday, during regular business hours. If you have furniture items you can request a donation pickup by calling 407-875-2040 ext 15 and we will be happy to schedule an appointment. Please note: We are unable to pickup on 2nd floor apartments unless there is an elevator.

The Mustard Seed anticipates helping over 2000+ families this next year. Many of these individuals come to us with nothing but a roof over their head and we have the honor of providing them, with your help, the items that would otherwise be completely out of reach. With our new recycling programs we are creating a sustainable environment to support our programs so that we may continue to give hope of a brighter future to our clients.
